# Attention!

For legal and safety purposes, please refrain from calling your office, customer support line, or safety personnel while driving.

## GETTING STARTED

-  **1 STEP** Hold the power button, generally found on the side of a mobile device, to turn on your **tablet/smartphone**.
-  **2 STEP** Verify that your device has good **cellular data connection** by checking the cellular signal indicator at the top right corner of the home screen.
-  **3 STEP** Assure that the device is fully charged by checking **the battery level** in the upper right corner of the home screen. We recommend keeping it connected to the charger at all times.
-  **4 STEP** Locate and select the **VOLT ELD application** icon from your home screen.
-  **5 STEP** Enter **Username and Password** once prompted to the "Sign In" screen. Reset your password if needed.
-  **6 STEP** Select your truck from the vehicle list once logged in. Press **"Confirm"** when prompted to the "Confirm Vehicle" screen. You have now accessed your logs record.
-  **7 STEP** Your cellular device will connect to the ELD automatically. The status will be shown at the top of the main screen. Once connected to the ELD successfully - please start the engine so the device can recognize the power up event.

## AT THE END OF THIS SHIFT

-  **1 STEP** Switch your duty status to **"Sleeper"** or **"Off Duty"** mode in the "Logs" screen.
  -  **2 STEP** Log out of the app by tapping the "Menu" icon and selecting **"Log Out"** option.
  -  **3 STEP** Always **restart** your device prior to the start of a new shift.
  -  **4 STEP** Complete your required **10-hour break** following each shift in order to meet regulatory requirements.
-  **NOTE:** The system will not count time **shorter than 10 hours** as a full break (ex: 9 hours, 59 minutes and 59 seconds, constitutes as a violation).
